# A T I O N

We of the yearbook staff, representing the student body of Soldan-Blewett, dedicate the **Reflector** this year to the senior classes of 1950. For a long time we wondered what or whom we should dedicate this second **Reflector** to. At length we came to the conclusion that the most fitting subjects were the seniors. We congratulate them upon the successful completion of their four years in high school, the four years which appeared so long when they first entered the school yet now, looking back, seem so short. This year's seniors have been more fortunate perhaps than last year's in that they have had at least a year and a half for the former Soldanians and Blewettites to amalgamate into a united body. Still, they are to be commended for the fine way in which they have joined together in the new school.

Some of these seniors will go on to college; others into the business world. But, whichever they choose, we wish them the best of luck.

## *In Memoriam*

### HERBERT P. STELLWAGEN

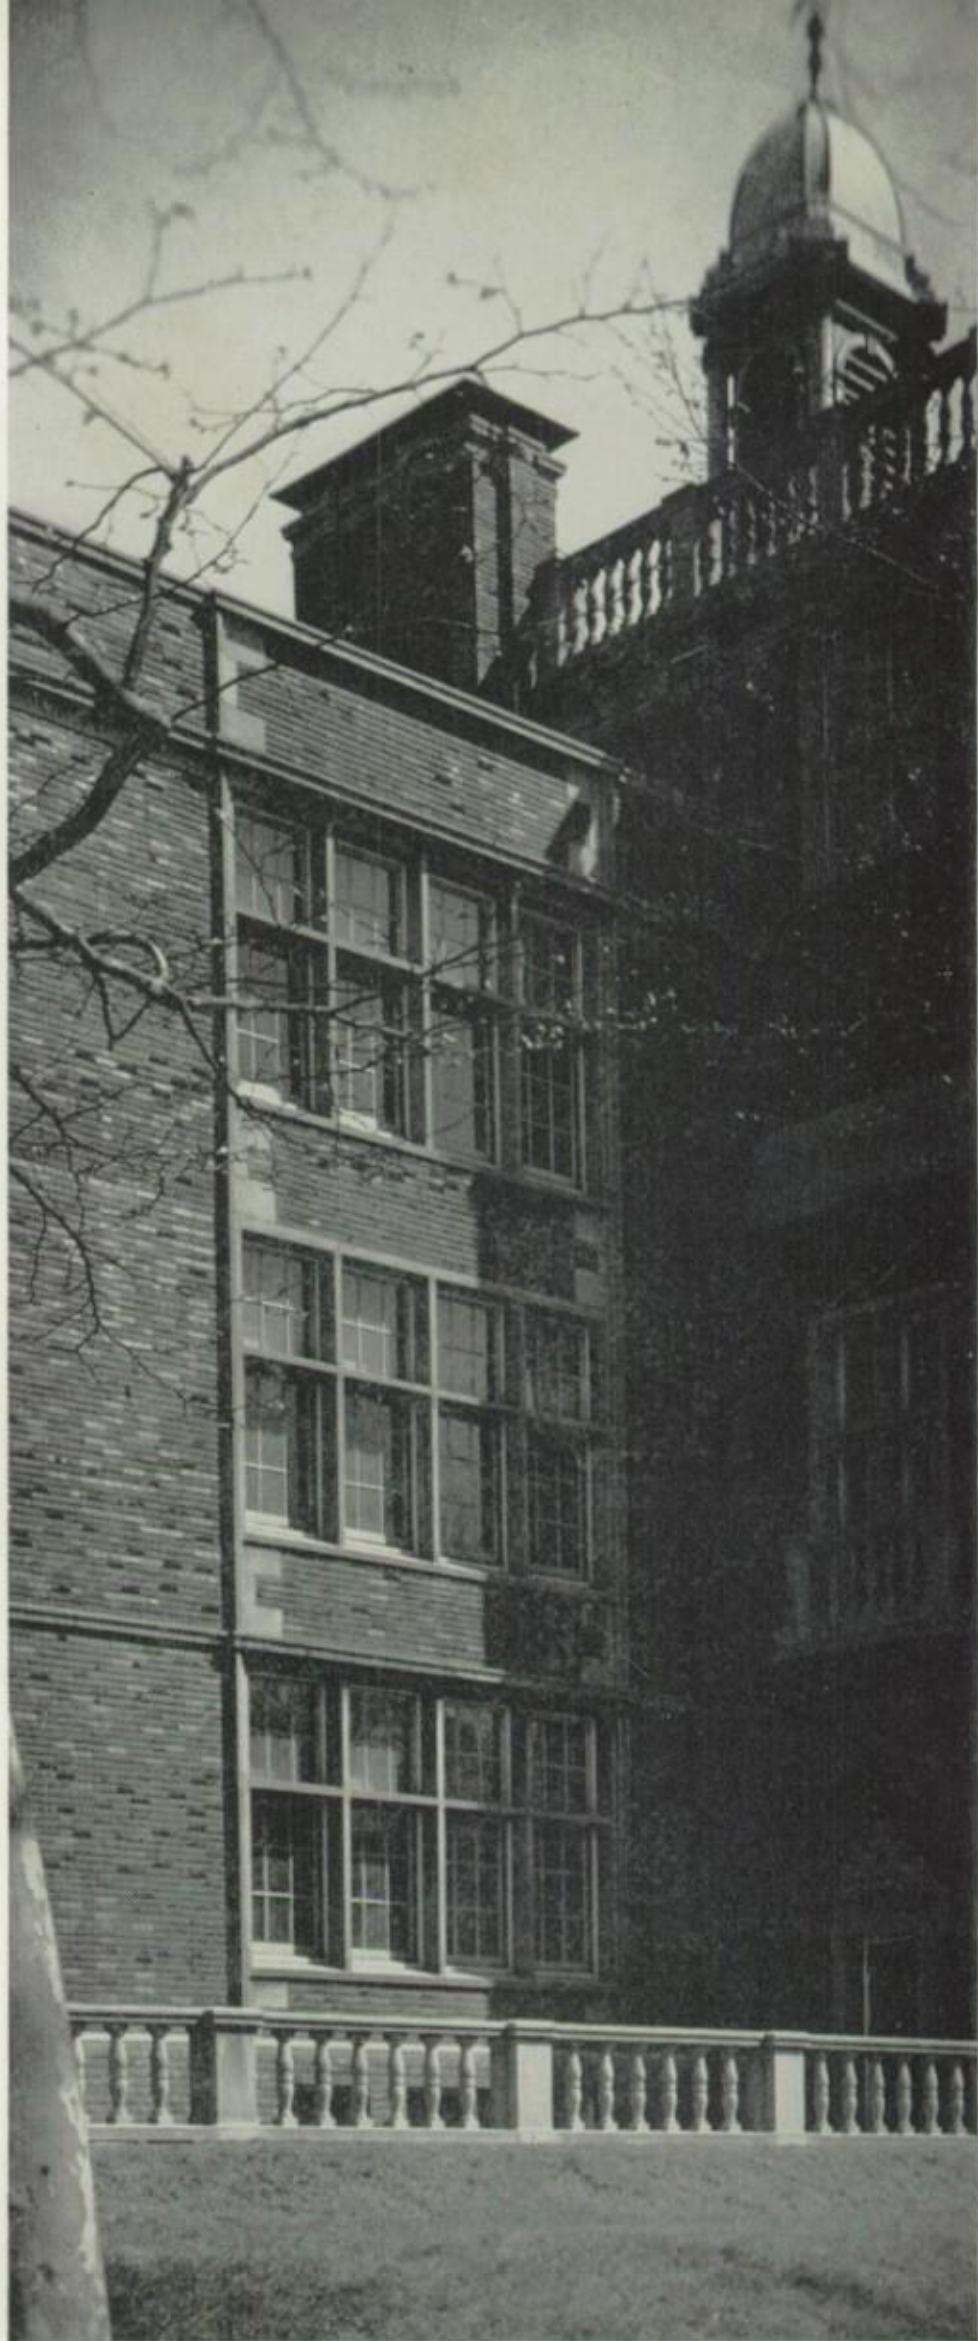

Herbert P. Stellwagen, public servant, educator, and humanitarian, began his career in St. Louis in 1904, as a math teacher at Yeatman High School. In 1917, he became principal of Roe Elementary School, and in September, 1929, he became principal of Soldan High School in which capacity he served until his retirement in June, 1946.

Mr. Stellwagen's great ability in administration was soon recognized here in St. Louis, accounting for his fast rise in the educational system. Tirelessly, diligently, Mr. Stellwagen often worked eighteen hours a day serving his community and school.

He became one of our most active citizens, participating and serving in many civic undertakings.

His success in life as an educator can be summed up by these words—professional skill, exceptional scholarship and experience in all phases of teaching. In his many years at Soldan, Mr. Stellwagen awakened fine ambition in countless young people through his vigorous, magnetic personality.

We are grateful for and cherish the memory of one of St. Louis' outstanding educators, who had a sincere, unwavering belief in young people.

# *In Memoriam*

## JAMES F. COOK

James F. Cook, star athlete from the University of Illinois, came as a manual arts instructor to Soldan High School in 1913. For the next thirty-six years he generously served the Soldan students with his time and effort, becoming an integral part of our school. Mr. Cook taught with remarkably gentle patience and judged with fairness. In 1916 he took charge of the football team, and under his proficient leadership the team won five championships in the next fourteen years. Through his coaching success Mr. Cook gained recognition as an outstanding high school coach here in St. Louis. In 1930 he retired as a coach but continued his teaching and leading of young people. Mr. Cook's thirty-six years at Soldan were well spent judging from the influence that continues to be felt by those who knew him. Mr. Cook is remembered with respect for his teaching capabilities and with love for a sympathetic friend.

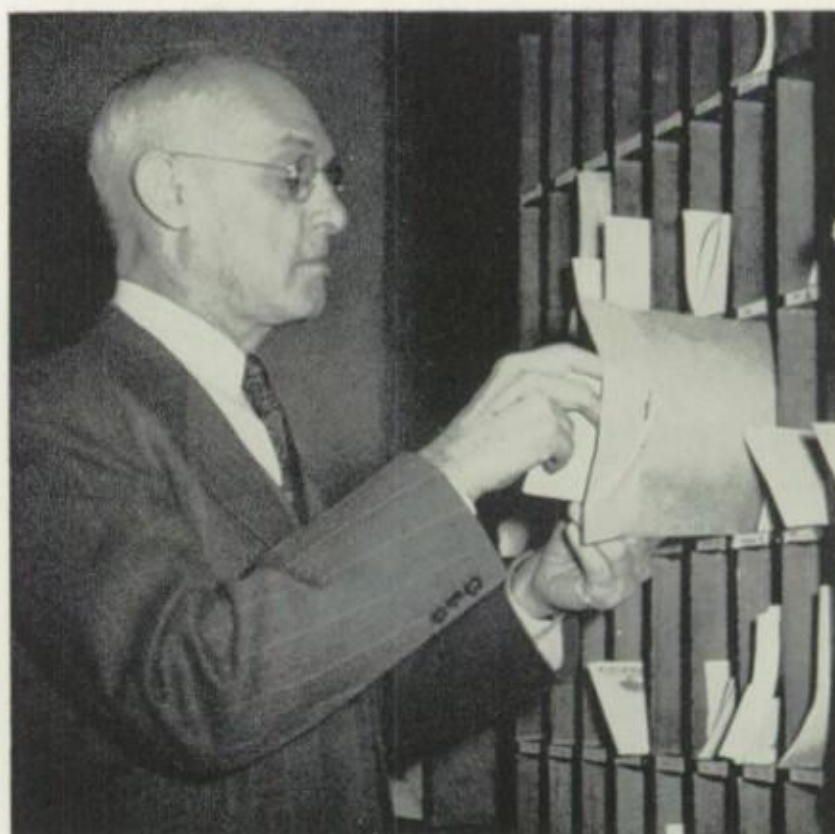

# *Administration*

BEN H. BARR

Principal

Mr. Barr, a kind, friendly, and understanding person, is our principal. When any problem arises, he is always ready with a helping hand. Under his guidance our high school years are made more enjoyable. We take this opportunity to show our appreciation for all that Mr. Barr has done during our years at Soldan-Blewett.

## E. E. CHILES Assistant Principal

Every freshman student is well acquainted with the pleasing personality of Mr. Chiles. In return for his splendid efforts, he has earned the gratitude and appreciation of the entire student body.

## CLAUDE N. SKELTON Assistant Principal

Although Mr. Skelton has been with our school but a short time, he has indeed gained the admiration of all the students. His conscientious efforts and counseling ability have helped to make this a better school.

# *Seniors*

When our Senior Classes entered high school four years ago, our thoughts eagerly raced ahead to the days when we would hold the mighty position of seniors. Once we achieved this eminent peak, we plunged into the stream of fast-moving events. During these happy days, we could look back on the preceding terms with eyes more prone to noticing their brighter side.

Although the union of Soldan and Blewett interrupted the smooth stream of our high school days, we are now, through everyone's efforts, a strong united group. In our records on the following pages, we are trying to give the readers of our yearbook some insight into the activities and accomplishments of the Classes of January, June, and August, 1950.

## *Class Song—January 1950*

By John Preston Adams

With friendship and harmony making us one,  
We are strong;  
To our class and our school, with love and respect,  
Our hearts belong;  
As we now depart with our heads held high,  
And spirits true,  
We join together in raising our song of praise to you:

We sing to you,  
To Soldan-Blewett High;  
Our song we raise  
To high school days gone by.

For brotherhood let us ever strive;  
Justice we'll serve,  
Freedom we'll seek  
Friendship we'll keep alive.

# *Calendar of January 1950*

WIENER ROAST.....Oct. 13, 1949

What a beautiful day it was for the first senior affair, a gala wiener roast at Forest Park. It was highlighted by a mixed game of football and other games. This was our first real chance to get acquainted with each other.

ROLLER SKATING PARTY.....Nov. 2, 1949

This party was given by the senior class for all the students of Soldan-Blewett. Everyone who attended had an enjoyable time though most of us needed three skates instead of just two.

SENIOR BOW DAY AND DANCE.....Nov. 22, 1949

The students and faculty got their first look at the January 1950 Seniors, as they appeared in their gay bows of all colors, sizes, and shapes. To conclude this joyous day, we had a senior dance.

SENIOR PROM.....Dec. 3, 1949

This was given by our class for all the seniors at the Hotel DeSoto. The highlight of the evening was the crowning of the Senior queen. The girls looked lovely in their formals and the boys like real men in their dark suits.

SQUARE DANCE.....Dec. 20, 1949

The mothers were kind enough to give us this delightful affair. The refreshments were wonderful. The square dance was called by a professional caller. That day, we all mastered the art of square dancing.

CLASS DAY.....Jan. 20, 1950

This was a long awaited event for this was "Our Day." Finals were over and we had only to wait for commencement. The class presented to the faculty and student body our colors, banner, and song. We were officially presented to the school.

For entertainment there was a gala class day show and then we had our senior class day party.

COMMENCEMENT.....Jan. 26, 1950

This was the final event on our calendar. Yes, this was the day we had so anxiously looked forward to for four years. As we look back we could remember all the fun we'd had and all the friends we'd made and most of all, the teachers and what they had taught us.

And so, as we leave Soldan-Blewett behind us, we shall all try to keep in mind, as well as practice, our motto, "Understanding, Justice, and Brotherhood."

# *Class Song—June 1950*

Words by NORMA JEANE SIMCOX

Music by BILL BOYD and CHRIS PAGININI

Soldan-Blewett, bound to-gether  
By a friendship true,  
Thou art rich in pleasant memories;  
We'll remember you.

In thy halls we garner knowledge,  
Learn to choose the right.  
Thou dost lead through pleasant pathways  
Into freedom's light.

Education, Guardian of Freedom,  
E'er to duty true,  
Alma Mater dear, we pledge thee  
Love and honor due.

Class Colors: Red and White

Class Motto: Education, Guardian of Freedom

# Activities

Our days at Soldan-Blewett would not have been complete with only classrooms and textbooks, but the after-school social life was necessary to give us a well-rounded education. These social activities centered about the clubs, where we met with other students who shared a particular interest or hobby. We were all given the opportunity of pursuing our favorite subject farther than the classroom took us, or to take part in some sort of recreational activity. We made many friends through our clubs and enjoyed many happy hours together. These we shall never forget.

The Reflector staff has worked diligently this past year in an effort to bring to you, the students of Soldan-Blewett High, an annual which will record many of the events of your school life of the year 1949-1950. A yearbook, such as the **Reflector**, can at best give only a sketch of the numerous activities which take place in a school as large as ours. Nevertheless, we have tried to make this sketch cover as much territory as possible without making the book overly large and expensive. We feel certain that the **Reflector** will bear out its name by reflecting to you a picture of the life of your school. In addition we trust that the photographs and articles which we present in this publication will recall to the readers now and in years to come many pleasant thoughts of their years in Soldan-Blewett.

The staff is composed of a group of fifteen to twenty students, mostly seniors. It is aided greatly by Mr. Forsman, the faculty sponsor, and Miss Brown, the faculty business manager.

## Journalism

The Journalism Class under the leadership of its sponsor, Miss Koch, publishes the school newspaper SPOTLIGHT. Along with text-book assignments, writing, and tests, the class is conducted along the lines of a newspaper office as far as possible. Material is submitted, read, typed, and then sent to the printer who returns the galley proofs for correction. After the galleys are corrected, the newspaper is printed and distributed to the subscribers both in and out of school.

SPOTLIGHT endeavors to cover as many phases as possible of the school and its activities. It aims sincerely to present the truth and to merit the highest journalistic promise. All members are selected on the basis of co-operation, dependability, scholarship, and citizenship. The training involves much preparation for the future responsibility. Each journalist, it is hoped, will meet all "dead lines," acquire permanent steady habits, and display loyalty to his school, his task, and his fellow-workers.

### MUSIC SCHOLARS

"Without music life would be a mistake." Since no one wants to make a mistake, the seventy members of the A Cappella Choir are all in their places at eight A. M. each morning. This club is the most advanced of all choral groups here at Soldan-Blewett. Under the leadership of Miss Thym, the students enjoy each moment put in studying classical, semi-classical, and sacred music.

By participating in numerous outside activities many students have received worth while musical experience. The busiest time of the year, Christmas, is the one everyone enjoys most. Besides caroling through our halls, they appear at Hotel Statler, Union Station, and the Merchants' Exchange. Many times the Choir has been called upon on short notice, but they have always performed quite well. Miss Thym has good reason to be proud of this group.

The Vocal Ensemble consists of about seventy-eight students, both boys and girls who meet every day in Room 300, under the direction of Miss Thym. This year the group, which includes students of all terms, will help celebrate Vocal Ensemble's third birthday.

They sing music written in unison as well as four part arrangements. Some of the songs used by the Vocal Ensemble are "The Bells of Saint Mary's," "Prelude," "Stout Hearted Men," "Pretense," "When Day is Done," and many more. They all enjoy their music period each day, and invite all who enjoy singing to join them next term.

## Senior Chaminade

The Senior Chaminade, having a membership of seventy-nine girls, is one of the six vocal groups at Soldan-Blewett. The music family includes three Senior groups—Choir, Senior Chaminade, and Boys' Glee Club; two Junior groups—Junior Chaminade, and Vocal Ensemble; and a Freshman group, Junior Chorus. Senior Chaminade is often referred to as "a stepping stone to Choir." The girls' activities this term consisted of radio programs, and an appearance before the Soldan-Blewett Mothers' Club.

As there has been so much talent in the group this term, they have held several talent shows. Not only does everyone enjoy them, but they have helped some of the bashful girls to gain confidence in appearing before an audience.

Among the wide variety of music, the girls sing both classical and popular music, under the guidance of Miss Adele Thym.

OUR LAST LOOK

## Junior Chaminade

Junior Chaminade, one of Soldan-Blewett's active music groups, consists of seventy-eight girls, under the leadership of Miss Adele Thym. Meeting daily, the girls work hard to improve themselves in such things as breathing and diction. Together with the Boys Glee Club, they presented a Christmas program to the Mothers' Club, singing three numbers: "Gesu Bambino," "Angels We Have Heard On High," and "Silent Night."

Junior Chaminade is very proud of its name, as Madame Chaminade was the first woman to gain recognition as a composer. She has been highly honored for such pieces as her "Scarf Dance," and other beautiful numbers for piano and orchestra. Thus Junior Chaminade has every right to boast of its name and to try to make itself one of the best music groups at Soldan-Blewett.

## Boys' Glee Club

### SPECIAL INSTRUCTION

The Boys Glee Club, a senior Choral group of Soldan-Blewett, has a membership of forty-five boys. Realizing that enjoyment and relaxation are necessary for the fullest appreciation of school life, the Boys Glee Club attempts to fulfill these requirements. Many boys who join know little about music, but after several terms they become top singers in this fine group. The boys agree that they acquire a finer sense of music appreciation through their study of music.

During the term the Boys Glee Club participates in many public appearances such as the annual Music Concert, the Inter-Group Conference, the annual operetta, and programs before the Soldan-Blewett Mothers' Club. Through these performances the Boys Glee Club is recognized as one of the outstanding boy choruses in St. Louis.

The Junior Chorus of Soldan-Blewett is a ninth grade vocal group under the direction of Miss Thym, which devotes itself to vocal development and music appreciation.

Meeting every Monday, Wednesday, and Friday, this chorus group gives a good foundation for music enjoyment in later life. Many new songs are learned, and familiar old favorites are sung in a new fashion. There is also an opportunity to become acquainted with other students at the annual "Music Hello Day" party, which all the members of the various music groups are invited to attend.

Anyone in Junior Chorus may advance to a higher group as his voice matures, and his musical ability increases. Many of the members now in Junior Chorus will some day be in Choir.

## Concert Band

Soldan-Blewett Concert Band membership is attained by entrance examination or by progression from the Junior Band through the Intermediate Band. The Board of Education furnishes the large instruments, uniforms, and music. Students furnish the smaller instruments. The Concert Band meets daily in the early "A" period. It plays for all football games, many civic parades, and for school auditorium sessions and graduations.

The Concert band is signally honored by being chosen to play for the Easter Sunrise Service before an audience of ten thousand over a "coast to coast hook up." This is an annual service which is held at the Municipal Opera in Forest Park.

Members from the Concert Band composed about one fourth of the "All City Band" selected from all the white High Schools in St. Louis. Members, chosen by the respective Directors, performed at Kiel Auditorium for the Missouri State Teacher's Convention. The All City Band was under the direction of our director, Mr. R. D. Sorrells.

## Concert Orchestra

The Soldan-Blewett Concert Orchestra is assembled from the Senior String Group and the Intermediate String Group as well as from the brass, reed, and percussion sections of the Concert Band. These String groups meet daily in a regular period. In order to enter one of these classes a student must be able to meet the playing requirements set by the instructor. The Senior Orchestra plays for special occasions and plays in the pit for the Operetta.

Because of the necessity of spending more time in building string players, since most of them start in the first term as beginners, the regular Senior Orchestra time has become a string rehearsal period. Thus the Senior Orchestra sometimes rehearses in the mornings before school in order to perform together as a unit. Chris Paganini, a Senior student, is the general manager and assistant director while Mr. R. D. Sorrells is the instructor.

## Dance Orchestra

### PLAY GYPSIES PLAY

The Soldan-Blewett Dance Orchestra is composed of outstanding members of the Concert Band and Concert Orchestra. It plays for regular school dances given in the band rehearsal room after school. It rehearses as a club once a week after school. Its members maintain a high scholastic rating and it rehearses under Mr. Sorrells' direct supervision. He is an experienced dance and show director, having been connected with radio, show, and dance work for many years. He is currently the arranger and a member of our St. Louis Municipal Opera Orchestra.

The dances are given in B24 where the rehearsal equipment is cleared away. There have been as many as two hundred dancers on the floor at one time. The dances are usually free but two or three times during the year a slight donation of ten or fifteen cents is taken to pay for music used.

There are three Orchestras and three Bands at Soldan-Blewett High School. All are under the direction of a full-time instructor. The School Board furnishes the larger instruments. Most of the beginning students start on these. In the past few years, very few instrumentalists have come into Soldan-Blewett from the elementary schools. The Intermediate band is a group of players in about second term experience with an instrument. Most of them will progress next term into the concert band if they pass certain requirements set up by the instructor.

By using steel shelved cabinets and folders, there is very little need for a librarian. However there are two student instructors this last term who have helped a great deal with the sectional work and are to be complimented very highly upon their working standards.

## *Agora*

### *Fall Term*

Every morning during the second period, representatives from each advisory group meet in an organization known as Agora, an ancient Greek word meaning "a meeting place."

This school service group handles the sale of the school newspaper, The Spotlight, the year book, The Reflector, and the sale of season passes for football, basketball, and other athletic activities. This responsibility has given the representatives valuable selling experience.

They are participating in an important community project which labels them as valuable citizens.

# Dramatic Guild

Although the Dramatic Guild is well-known by its annual three-act production, those who are members know it to mean more than just that. Weeks of preparation are needed to give plays that live up to the standards of their successful predecessors. Acting is not the sole aspect of the Guild members; some of them are mainly interested in stage makeup application, technical lighting, scenery preparation, or directing. When all these interests are combined, we have a wonderful play. Such a production was "A Connecticut Yankee in King Arthur's Court," which was highly acclaimed. The Connecticut Yankee was played by Bob Justice. The rest of the cast included:

Ray Brusca as Merlin, the magician

Norma Nymark as Clarence, the page;

Don Berg as King Arthur

Rita Lachman as Sandy;

Sue Sutton as Queen Morgan Le Fay;

Phyllis Horn as Queen Guinevere;

Marlene Rubanowitz as Elaine;

Harry Schukar as Sir Lancelot;

Bob Seltzer as Sir Sagramor;

Dolores Rennard as Mrs. Bennett;

## *Radio Production*

The Radio Production Class, under the sponsorship of Miss Gertrude Lucas, has been very active this year. In simulated broadcasts they produced "A Trolley Car Named Prudence" for the Mothers' Club and "The Birth Of The Song, Silent Night" for the student body at Christmas. "Blue Barns" for the "Journeys Into Story-Land" Series was broadcast from Station KFUD. Five members were chosen to be auditioned for participation in the Central Workshop at Station KSLH. Some of these

same students assisted in the dedication of the new school station. One member was selected to participate in the series "Your Business Career." One of the highlights of the term was the Radio Field Trip which included a rehearsal of "The Land We Live In" program, a tour of KSD and KSD-TV, and a tour of KWK. On May 26, an original drama concerning Forest Park was broadcast on KSLH as part of a series written, directed and produced by the High School Workshop.

Ha Ivria, the Hebrew Cultural Club, observed its twentieth anniversary this year. Under the leadership of Mr. Biegelsen, the club has continued to carry out its aim, to better acquaint the members with the life of the Mediterranean peoples.

At each meeting one of the members presents an informative talk concerning the people of Asia Minor, Egypt, Syria, or Palestine in the form of a book report, open discussion, or report of the origin of certain holidays. Often, the members sing Hebrew songs which are enjoyed by all.

## Ha Ivria

Social activities are also headlined in Ha Ivria. A dance was held in the Girl's Gymnasium, to which all members and their friends were invited. The meetings are held every other Friday and all students are invited to attend.

## Junior Red Cross

The Junior Red Cross is an organization which works to make the lives of men in the Veterans Hospitals happier. The members bring a little cheer to these patients through the gay gifts they make. They feel rewarded when they know that they have brought a little sunshine into the lives of these men.

## French Club

The French Club, under the leadership of Mrs. Rothman, unites all students who are interested in learning about the language and customs of France. At the meetings French games were played, French songs were sung, and movies were shown. This year the members also visited the Art Museum for an interesting lecture on Renaissance Art.

## Art Appreciation Club

The Art Appreciation Club under the sponsorship of Mr. Gronemeyer has completed another successful year. Seeking to appreciate and enjoy art to the fullest extent, the club has visited art galleries and various exhibitions at the Art Museum. Almost all the members are taking art in school and the club serves as a continuation of their studies. Other activities include painting and sketching scenes in the vicinity of the school and in Forest Park.

First Row: Sax, Kreisman, Chazen, Loewenstein, Stone. Second Row: Cohen, Payne, Middleton, Henrici, Mr. Lyon.

## Camera Club

The Camera Club was established for the purpose of arousing interest in taking pictures and in darkroom work. At the meetings, lectures on subjects pertaining to photography are given. Pictures taken by members are discussed as to composition and lighting effects. Each member is required to pass at least one test each term indicating his progress. Several members entered photographic exhibitions in the Science Fair at Washington University. The club, which is sponsored by Mr. Lyon, has a growing library of photographic magazines and books.

First Row: Kaye, Sherman, Wolfsberg, Chazen, Sax, Kaldor. Second Row: Mr. Pinkus, Weisman, Lowenstein, Jackson, Evans, Walsh, Russell.

## Galileo Club

The Galileo Chapter of the Junior Academy of Science offers the opportunity for a deeper understanding of science.

Astronomical studies, this year, consisted of a lecture about Galileo's life and about the geography of the moon.

Other events of importance included: a spectacular demonstration of electrical phenomena with the use of a tesla coil; the study of the slide; lectures about the structure of matter and the principle of the cyclotron; and visits through the science laboratories of St. Louis and Washington Universities.

## Agassiz Club

The Agassiz Club is composed of a group of boys and girls interested in increasing their knowledge and enjoyment of nature. The weekly meeting at which such important topics as conservation and the various phenomena of nature are discussed, are highly informative and interesting. During the term the Agassiz Club takes hikes to places of natural interest around St. Louis, gaining a first-hand opportunity to study nature. Under its sponsor, Mrs. Katherine Chambers, the Agassiz Club looks forward to new faces and new adventures in the coming year.

IT'S A STRIKE!

It's a strike! No, there's still a pin up. There, you've got it! Sounds like these come from the Del-Mar lanes every time the Soldan-Blewett Girls' Bowling Club is in session. The club has been reorganized under the sponsorship of Miss Jeffords and Miss Boerjesson. The membership consists of thirty-two girls, who are then divided into teams of four girls each. The teams have different names, some of which are: "The Gutter Girls," "The Alley Cats," and "The Strikers." The Club is proud of its bulletin board in the first floor corridor which posts the five highest averages on the club, cartoons, and pictures of the girls. This term officers are, Maedeen Gosnell, president; Shirley Green, secretary, and Eileen Fanning, treasurer. The girls have set the pace by organizing the only bowling club in Soldan-Blewett.

The Projectionist Club serves the school in the operation of all types of Audio-visual equipment. The members meet in a separate advisory group every morning under the very capable sponsorship of Mr. Lyon and Miss Rowan. Here, schedules are made out according to teacher's requests for service, training of new members is initiated and organized, service tests are scheduled and the usual work of an advisory group is carried on. During the spring term the Projectionists trained 12 new members. Members must maintain grades of "M" or above, in order to receive service assignments.

FULLER PEP

The Girls' Pep Club, now under the able sponsorship of Miss Amend and Miss Forsythe, unites sportsminded girls in an organization which promotes school spirit and enthusiastic backing for our athletic teams.

Through hard work and expert salesmanship, the girls of the Pep Club sold enough school pencils to be able to present a beautiful new maroon and gold banner to the school. After the presentation of this banner, the student body reacted in a unified spirit.

Freshmen girls are welcomed to Soldan-Blewett by a Pep Club party given to make them feel at home and among friends. Another party is given each term in honor of the lettermen in interscholastic sports. The members of Pep Club enjoy planning such parties, making new friends, and helping the school in every possible way.

NOW YOU SEE IT, NOW YOU DON'T

Although the Magic Club has been in existence for only a year, it has become a fairly large organization in Soldan-Blewett. This is particularly due to the able sponsorship of Mr. Forsman, who has patiently guided us and helped us in our meetings and in our planned activities.

We meet every other Thursday. At the meetings, we discuss, explain, and demonstrate all phases of prestidigitation which might not be clear to the members. We only accept members who are interested in Magic and who have some of their own equipment.

We present a Magic Show once a term in which every member of the club participates. In addition, we present Magic Shows to the Freshmen and to various other organizations that may request our talent.

The cheerleaders again had a very successful season in 1949-1950. There was, however, a change in the status of the squad; it became a team and was judged just as the other teams are with letter awards. Mr. Sorrells and Mr. Plag became the sponsors and, for the first time in many years, the band and the cheerleaders worked together on the field as well as at the aud sessions. We would like to thank the students for their fine co-operation. The cheerleaders are looking forward to another successful year.

# *Sports*

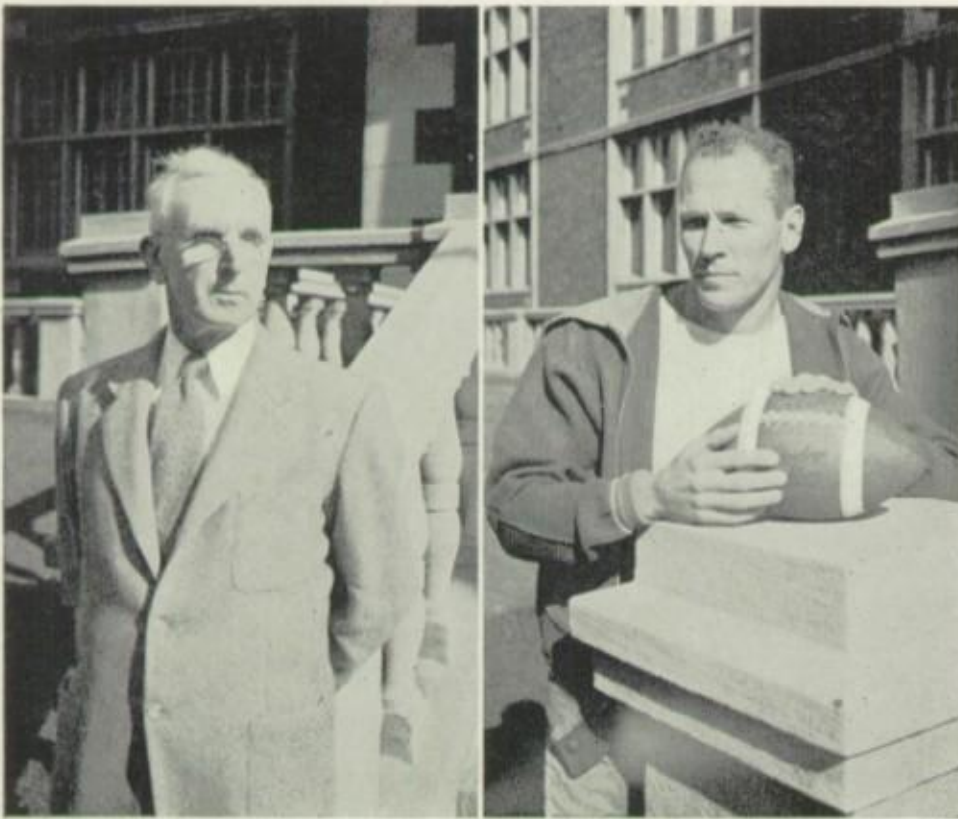

The athletic teams and organizations at Soldan-Blewett High are composed of a large group of the entire student body. The team supporters and rooters are composed of an even larger group of the people in our school. It is in honor of these people, and while being aware that the spirit of our school lives and thrives on the performances of our teams and the loyalty of their supporters, for the success of our teams, set aside this section of our yearbook to "sports."

MR. McEACHRON

MR. HATFIELD

With approximately seventy-five boys turning out for the 1949 football season, Coach Hatfield had much material to work with, as he narrowed down the players to a workable forty.

Returning lettermen, Captain Angelo Lombardo, and Ronald Suchart, took over halfback and quarterback slots, respectively, while Jim Jones and Paul Ashby alternated for the other halfback position. To fill in the rest of the backfield, Coach Hatfield interchanged Joe Noce and Jerry Raskas as the other fullback. George Anastas and Bob Diekmann went back to their original positions at guard and end, respectively, while Jay Dee Hart switched to center where he performed very favorably.

Soldan-Blewett started the season's play at University City, where they were handed a 20-6 defeat on September 20th by a strong, highly-rated eleven. The Tigers bolstered a good passing offense, but it looked rather weak beside University City's strong ground attack.

## Football

As the hyphenated-eleven entered league play for the 1949 season with two defeats against them, they were determined to win, and Coach Hatfield especially enjoyed seeing them trounce the Southwest Longhorns 25-12. The game was highlighted with brilliant playing on the Tigers part during the whole encounter, as they completely outclassed the Southwest eleven. Ronald Suchart gave evidence of this as he raced eighty yards for a touchdown in the opening minutes of the game.

Strengthened by their last victory, the team then proceeded to smother the McKinley eleven on a rain-soaked afternoon in mid-October. The score was 19-0. Ronald Suchart and Angelo Lombardo contributed to the scoring, the latter racing sixty yards for a touchdown in the second quarter of the game.

Monday night, October 24th, saw the Bengals, now regarded by some as a definite threat to the crown, encounter Beaumont in a thrilling spectacle, which might have seemed even more exciting, had our boys come out on top. Nevertheless, we did manage to tie the Bluejackets 6-6 in a game marred by numerous penalties on both sides.

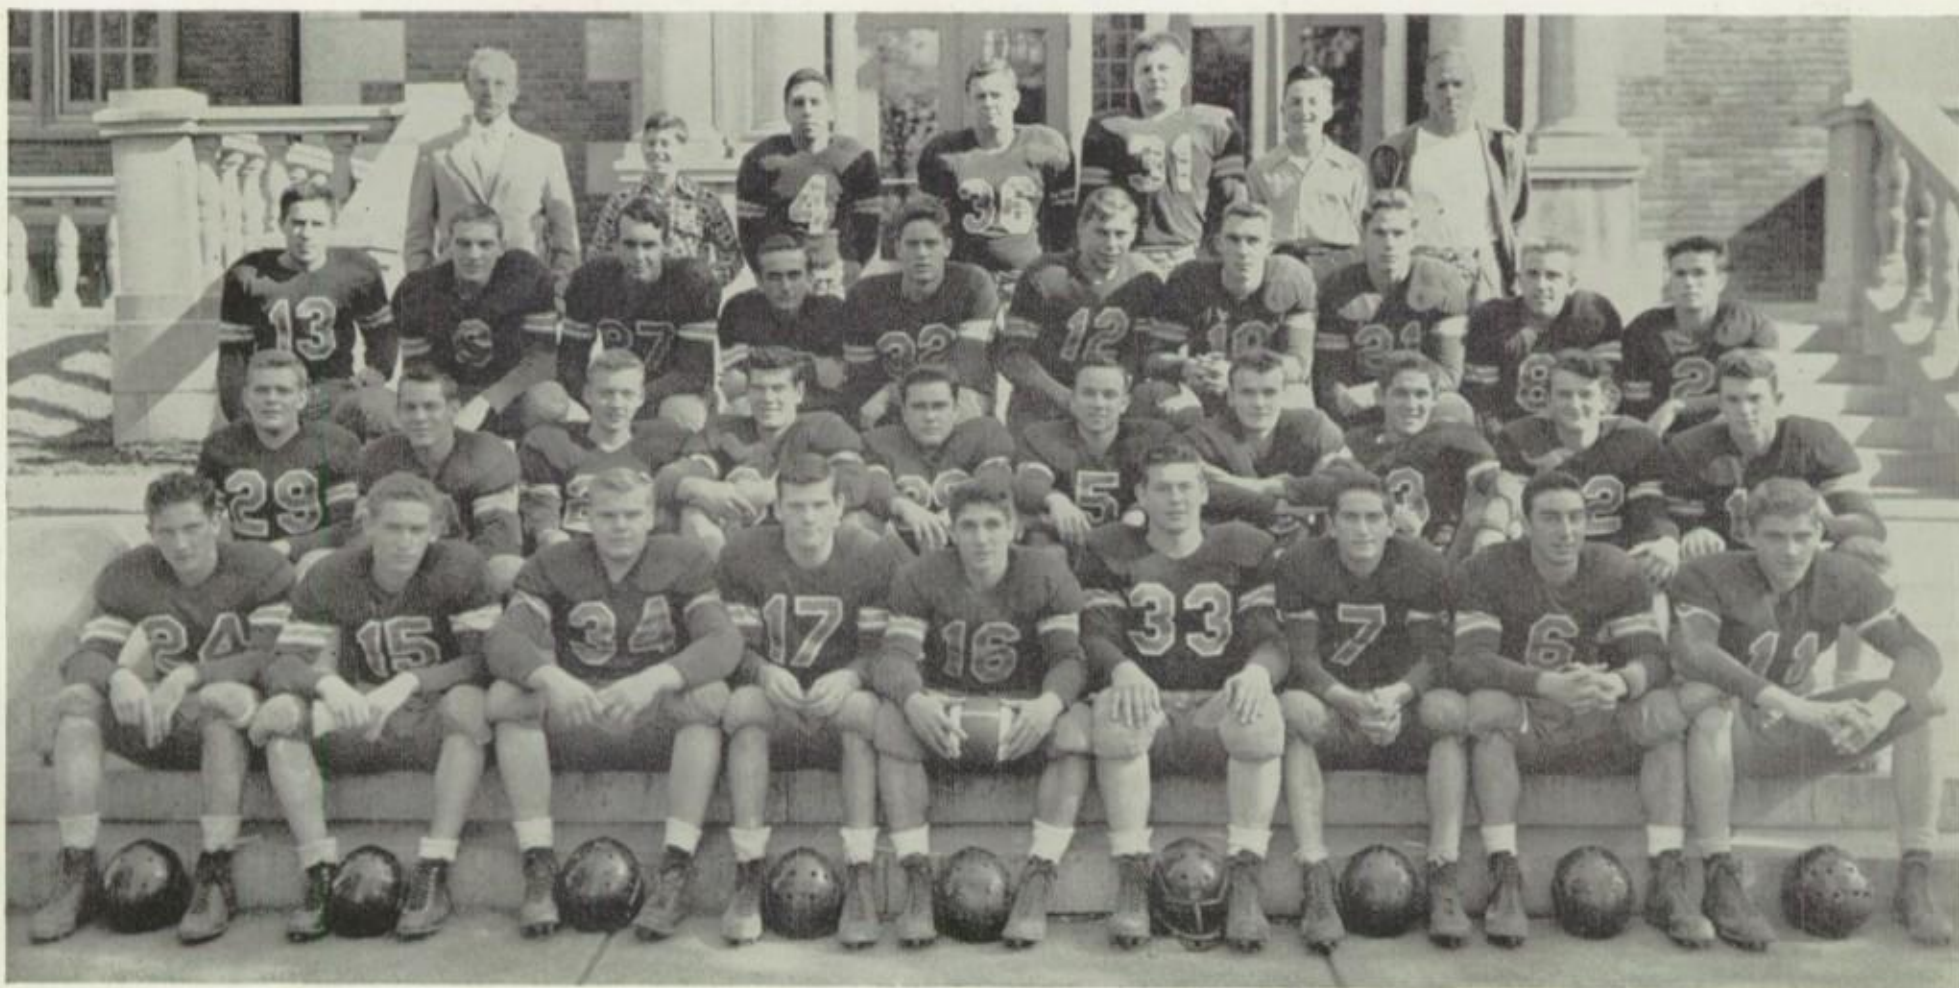

Roosevelt practically smashed any Soldan-Blewett hopes for a football championship this year, as they bucked our poor line defense for two touchdowns. The only sparkling action of the day was Ronald Suchart's 92-yard runback of a kick-off, for a Bengal score with less than two minutes remaining in the last quarter.

Central then made quick work of the demoralized Tigers, scoring in every quarter but one, 18-9.

Jay Dee Hart received All-District honors from one of the local papers and Ronald Suchart received honorable mention from all three. Others receiving honorable mention for their fine work during the season were Angelo Lombardo, Bob Diekmann, and George Anastas.

The twenty-two players who received letters for this past 1949 season are Angelo Lombardo, Ronald Suchart, Paul Ashby, Jim Jones, Joe Noce, Jerry Raskas, Jay Dee Hart, Al Scholar, Ed McMannes, Wayne Lowe, Eddie Rosen, Jean DuBail, Bob Cofer, Bob Diekmann, captain for '50, George Baker, Dean Melton, Jack Krekeler, Frank Luzenske, Tom Bianchi, Joe Wooden, Tom Thornburgh, and George Anastas.

First Row: Oberman, Boraz, Luzenske, Lowe, Lombardo, Wangelin, Scholar, Suchart, R., Dubail. Second Row: Grose, Thornburgh, Hoefelin, O'Keefe, Wooden, Jones, Boufides, Rosen, Petrofsky, Melton. MR. FRANKENBERGER, (Coach)

Before the Soldan-Blewett basketball team entered into league play this season, they played several games with county and private schools. They opened the season by suffering a loss at the hands of a fast Principia team (50-45). Deutch, Siegfried, and Towbin were high scorers, Towbin leading with twenty-three points. The next game was lost to Brentwood (61-26). The team then recovered, scoring a victory over McBride (42-38.) It was commented that this was the first occasion that the team's offense and defense both clicked at the same time. The next game, against a strong C.B.C. team resulted in another victory for the team (38-31). Then came disappointment with a loss to DeAndreis (43-31).

During the Christmas vacation, the Tigers played some thrilling games in the Normandy Tournament. In their first game they beat Webster Groves by a close score (57-53). The score was 56-55 in favor of Webster with less

than one minute to play. In these last seconds, Soldan-Blewett got the ball, Joe Oppenheim made the basket, his first of the season, winning the game, and the crowd went wild. The next night, the team beat McBride (50-44) and reached the semi-finals, but were defeated by Southwest, (42-37).

The team then entered league play, defeating McKinley (52-34) in their first game, losing to Southwest (48-39) in their next one. The boys scored another victory for the Alma Mater, defeating Hadley Tech. by a margin which should have been larger (32-27). With graduation approaching, the January seniors did not play in the rest of the games. This loss of men definitely hindered the team. In their next game, they were defeated by Roosevelt (42-35), and then by Beaumont (79-35), their worst defeat of the season. At this game, the services of Al Towbin were lost because of a leg injury. There were defeats by Central (52-58) and by Cleveland (56-31). The team finished the season in sixth place in the Public High League.

After the league season was over, Soldan-Blewett entered the University City Regional Tournament and took third place. In this tournament they beat a strong Affton team (27-25), lost to University City (54-36), and beat Hancock (48-43).

Of the twenty games that the team played, eight were won and twelve were lost. They scored a total of 767 points.

## Track

*To a good friend I have enjoyed knowing for the last 2 terms it's been fun

Chuck Beckett*

Did anyone say, "Pole-vaulting, shot-putting, sprinting, dashing, high-jumping, broad-jumping?" Why, you can see all of this and more if you attend the track meets of the Soldan-Blewett Track Team.

The track team starts practicing around the time Spring begins, and they endeavor to improve their skills so that they will win more meets for the alma-mater. This striving and effort is all brought to a climax at the Field Day Track Meet in which all the Public High Schools of our league are competing against each other.

Needless to say, one of the most wonderful things for the building up of school morale is winning the Field Day Meet. So here's hoping!

First Row: Beckett, Blume, Luzenske, Burton, Wright, Koester, Lee. Second Row: Oberman, Grose, Bianchi, Citerman, Greenberg, Rudolph. Third Row: Krueger, Mahan, Smith, Henschel, Wooden, Brooks, O'Neal. Fourth Row: Sorkin, Tecklin, Lugger, Mead (Co-Captain), Petrofsky, Hart, Monaghan. Fifth Row: Becker, Scholar, Diekman, Siegel, O'Neill (Co-Captain), Rosen, Noce. Sixth Row: Mr. McEachron, Suchart (Manager), Mr. Hatfield.

The Soldan-Blewett Baseball Team was a dark horse in this year's Public League race. With Al Towbin returning to do the main pitching chores, the team figured to roll if its hitting could match the effectiveness of its pitching.

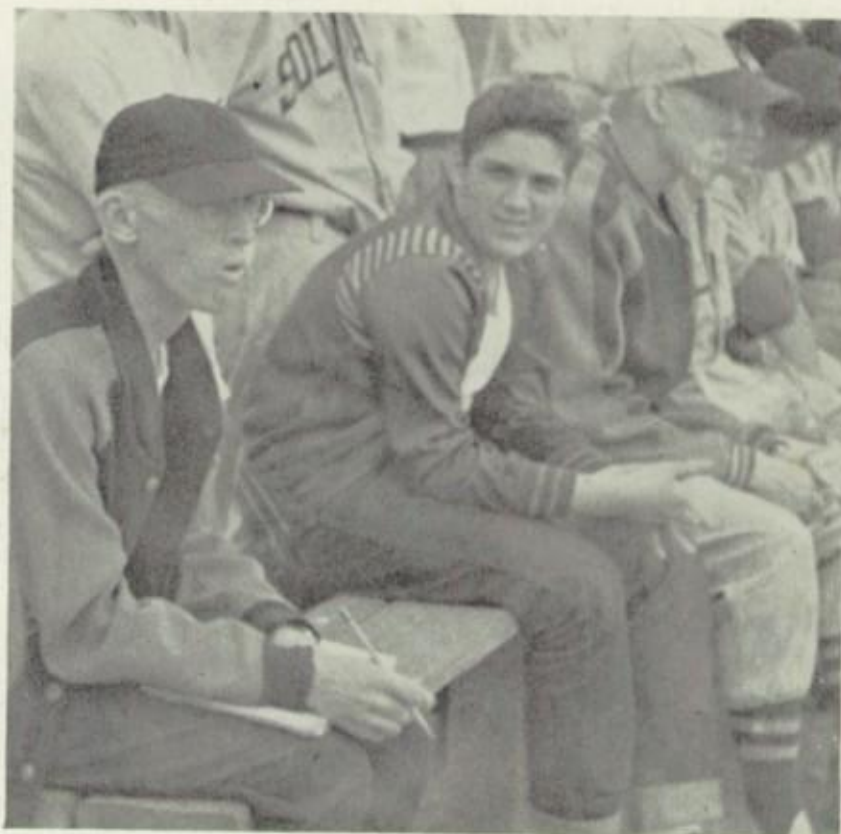

However, Towbin started slowly, but improved greatly as the season progressed.

The Tigers lost to McBride in their first encounter 5-2, but avenged that defeat later with a 13-9 victory. The Bengals started their league play most auspiciously with a 12-11 victory over Hadley. In that game the Tigers scored eight runs in the last of the seventh to pull the game out of the fire. The Tigers followed this with a 6-3 victory over McKinley. Then came their first defeat 10-6 to Beaumont.

Hopes for a championship tumbled as the Bengals lost to Roosevelt, 7-6; Central, 7-0; Southwest, 8-2; and Cleveland, 9-5.

After this debacle the Tigers reached their peak by defeating the powerhouse Beaumont team 5-3, and trampling McKinley 17-7. The Tigers are now engaged in the regional tournament, where they hope to fare well.

The Bengals will lose their two power hitters, Bierman and Grossman, and pitcher Towbin after this season and will find them hard to replace.

## *Tennis Team*

The Soldan-Blewett Tennis Team captured the 1949 tennis championship, after recovering from a slow start and staging a spirited drive that swept by Roosevelt for the title.

With only one returning letterman, Alvin Siegfried, prospects for victory were not high at the beginning of the year, but the new additions proved strong. The Tigers opened their season by defeating Southwest (3-2), but then lost to Cleveland (2-3). Next they rallied to smash McKinley (5-0), Beaumont (3-2), and Central (5-0).

On the final day of the season they met a favored Roosevelt team and defeated them (4-1) for the league title, ending the season with a 22-8 mark.

The members of the championship squad were Alvin Siegfried, first singles; Marshall Clark, second singles; Stanley Goldstein, third

singles; Alan Berger and Mike Levin, first doubles; and Roddy Fadem and Jared Alfend, second doubles. The only reserve was George Van Meter. Alvin Siegfried and Marshall Clark later won the state doubles title.

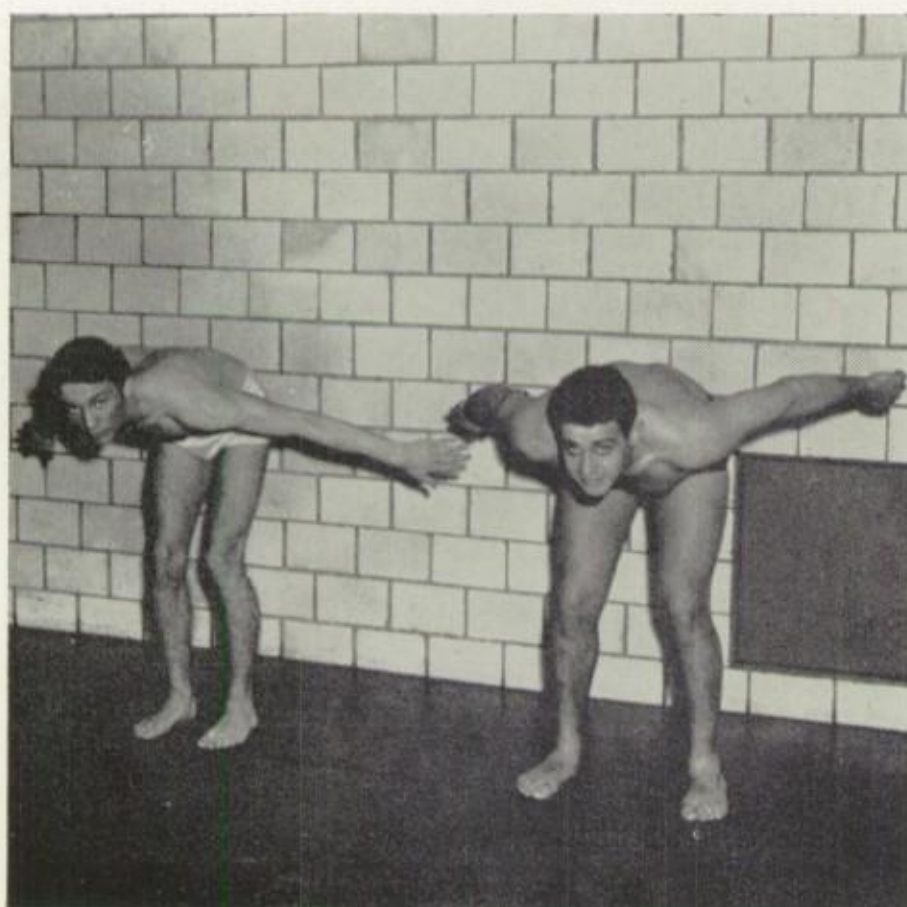

All the members of the regular team received letters for their effort in bringing the school its first tennis trophy.

## Swimming

The Soldan-Blewett Swimming Team under the watchful eye of Mr. C. Bockelbrink began the season with nine returning members, Fred Ungar, Bob Kelly, Leo Pashos, Lawrence Hazelip, Ben Zuckerman, Irwin Sorkin, Bernard Herman, and Dick Fisher. Only four of these, however, Ungar, Kelly, Pashos and Herman, were lettermen.

THE BIG SPLASH

Their action in the six league meets this season was not spectacular on the whole, as they lost all of them and wound up in last place at the end of league competition. The natators were seriously handicapped, however, because of the active service of only two returning lettermen and the few inexperienced newcomers to the squad.

The team placed fifth in the Public High Invitational Relay Carnival, however, and tied for tenth place in the state meet at Wilson Pool. In the latter event, honors went to Fred Ungar who placed third in the 200 yard free-style contest and to the relay team of Bernard Herman, Irwin Sorkin, Ben Zuckerman, and Fred Ungar which came in fifth in the 160 yard free-style event.

The eight boys who merited letters for their work during the season were Fred Ungar, Leo Pashos, Ben Zuckerman, Lawrence Hazelip, Irwin Sorkin, Bob Kelly, John Steinkuhler, and Gene Pollien.

## Gym Team

WILL HE MAKE IT?

The Soldan-Blewett Gym Team had only one letterman, Wilford Dotson, returning from last year's championship team. The eleven other lettermen either had graduated or were scholastically ineligible.

As a result this year's team consisted mostly of young, inexperienced boys, many in their second term. The boys had the spirit, but the material was lacking. The Tigers, therefore, were unable to uphold previous team's records. In their opening meet Beaumont trounced the Tigers 390-293; but the Bengals rebounded and defeated Hadley in their next start.

For the first time in thirteen years the Bengals did not win the Interscholastic Gym Meet, coming in third with Beaumont the champion.

Although we did not have a championship team this year, the gymnasts are young and should improve with experience.

The Gym Club originated in 1913 under the direction of Dr. Otto M. Koenig. Through the years the club has functioned with great success.

Mr. Plag, the present sponsor, has guided the club since 1939. Its purpose is twofold: to develop a sound body and train boys to represent Soldan-Blewett in the various dual gymnastic meets, Interscholastic Gym Meet, and the A.A.U. Meet.

Much work is involved in the training; it requires much time and toil. The boys work diligently on the horizontal bars, parallel bars, side horse, and mats.

The club has produced many stars on the Tiger Gym Team and will continue to do so in the future under its motto, "A sound mind in a sound body."

The Girls' Athletic Association, one of the largest clubs in our school, welcomes girls of all terms who are interested in sports. These girls, according to their respective terms, meet once a week to acquire a better knowledge of sports and to have an afternoon of fun. The girls receive awards for their achievements at a party given at the end of each term.

These awards are determined by a point system. Achievement tests, posture tests, and perfect attendance, are ways in which the girls earn points. Five hundred points are necessary for a small letter; a thousand points are required for a large letter. Active members of G. A. A. who have been awarded a large letter the preceding year and who pass a physical examination receive a gold pin, the highest award of G. A. A.

During the fall term, the girls engage in a volleyball tournament; in the spring, they participate in basketball and softball tournaments. Table tennis, badminton, and aerial darts are a few of the many sports offered by G. A. A.
